

Mentoring cell Report (2020-2021)

The mentoring committee continued its workings towards students' development by imparting soft skills such as lessons on time management, career guidance, financial literacy etc.

Due to the pandemic and the lock down imposed on all citizens, assignment of mentor-mentee was not possible. However, students were given the liberty of enquire or consult the teachers of their respective teachers via phone call or online mediums on problems faced. These could be problems on varied grounds.
